Combat deployment	1 team	1 result

Competitions in climbing on an assault ladder, overcoming the 100-meter obstacle, combat deployment carried out on two attempts.

7. Procedure and conditions of defining the team and individual championships

Overall team championship is determined on the basis of the least amount of places, taken by teams in all the sports events. In case of equality in total places, the higher place is awarded to the team having best result in the combat deployment.

Team championship in the sports events is determined on the basis of minimum total time. In case of time equality, the teams are awarded the same place (subsequent place is not awarded).

The team, which has not total number of scores, is awarded a place after the teams having full score. In case of equality of incomplete scores, the team is awarded a place to the team having the minimum score time.

Individual championship in sports events including combat deployment is determined according to the best result from two attempts. In case of results equality – according to the best total time of two attempts, and in case of equality amounts of time two attempts – according to the best result of the first attempt, further – athletes who started earlier. In the case of equal results in the fire relay highest place is awarded to the team which started earlier.

Double event do not include in team result.

To determine winners in climbing on an assault ladder and overcoming 100-meters obstacles is held final race. The amount of athletes in final races is determined by the number of racetracks. The results of final races do not include in team result.

Final race is formed by the results of final races as follows: 3, 1, 2 and 4.

Team and individual championship among men and women in sports disciplines is performed separately.

8. Awarding

The teams, which occupy 1st, 2nd, and 3rd places, are awarded with cups and certificates; and participants – with medals and gifts.

The teams, which occupy 1st, 2nd, and 3rd places in fire relay race in and combat deployment, are awarded with cups and certificates; and participants – with medals, certificates and gifts.

The participants, who occupy 1st, 2nd, and 3rd places in individual championship in climbing on an assault ladder, overcoming 100-meter obstacle course and double-event, are awarded with medals, certificates and gifts.

Winners in sports events are awarded with champion ribbons.

The Coaches of the national teams in all the sports disciplines are awarded with medals, certificates and gifts.

9. Participation conditions of the sports delegations and participants of the competitions

The annual membership fee 3300 (three thousand three hundred) US dollars is transferred to the International Sport Federation of Firefighters and Rescuers **before April 1, 2019.**
