**XVIII International Conference of Non-profit Partnership
«The International Sport Federation of Firefighters and Rescuers»**

RESOLUTION

14 November 2017 year

№ 4

**city Banska Bystrica
(Slovak Republic)**

**Report of the Sport-Technical
Committee «Izmir 2017»**

Pursuant to the Plan of major sporting events of the International Sport Federation of Firefighters and Rescuers for 2017 and the decision of the XVII International Conference of the International Sport Federation of Firefighters and Rescuers from November 27, 2016 year №13 «On approval of the regulations of the World Championships among men and women in 2017», were organized and held:

- XIII World Championship among men and IV World Championship among women in fire-rescue (fire-applied) sport «Izmir-2017» (Turkish Republic).

Governed by the Rules of competitions on fire-rescue (fire-applied) sport competition Regulations in fire-rescue sport and the provisions of the World Championships, the members of the Sport-Technical Committee of the International Sport Federation of Firefighters and Rescuers in the compositions of the Ground Jury work was carried out on technical inspection construction, fire and technical

equipment, weapons and special means, devices and facilities, providing high-quality competitions.

Having heard and discussed the report on the work of the Sport-Technical Committee of the International Sport Federation of Firefighters and Rescuers in 2017, XVIII International Conference of Non-Profit Partnership «The International Sport Federation of Firefighters and Rescuers» **has decided:**

1. To consider the performance of a complex of measures on preparation and holding of international competitions, in accordance with the specification, terms and conditions of the competition on fire-rescue sport.

2. To recognize the work of the Sport-Technical Committee of the International Sport Federation of Firefighters and Rescuers performed on satisfactory level, in full and in accordance with the rights, duties and powers.

3. To consider that the members of the Sport-Technical Committee should move to the venue in 3 (three) days before the start of the World Championships for thorough preparation of sport facilities, sport equipment and technical equipment for the competitions.

The director of the executive committee

A.P. Kalinin
